Distinctive Curriculum Offerings:

Cooloola Christian College provides students from Prep to Year 12 with a high quality, Christian education. CCC provides for the academic, physical, emotional, social and spiritual development of every student, recognising each one as a unique individual.

Our Christian faith and beliefs permeate through all that we do, ensuring that our graduates have received a solid grounding in biblical values, morals and ethics, while developing a positive attitude to their studies and future career aspirations.

Students at CCC are providing with many opportunities to explore and develop their skills and talents in sporting activities, drama, music, art and other cultural pursuits.

CCC also offers a specialised Outdoor Education program that is largely delivered through school based on-site activities including indoor climbing, canoeing and mountain biking (on a professionally designed Mountain Bike Track on the school property)

Our students meet together in Chapel to encourage each other and learn more about their purpose in life. God has a wonderful plan for every young person and we seek to help every child understand that plan and purpose.

Extra-curricular Activities:

Students are able to be involved in Bands, Musical Ensembles, Choir, Futsal and Volleyball as well as after school academic programs to enrich and assist learning in the College. In addition, there are many activities offered during breaks such as Chess and Rubik’s Club, Gardening, Sporting Activities and Exploration of Natural Habitats.

Social Climate:

CCC believes strongly in empowering young people to make healthy, responsible and respectful decisions in relation to their behaviour and relationships. CCC has many activities that promote social relationships while we specifically implement eSmart guidelines to reduce the incidence of bullying. Students describe their school as a safe and enjoyable place to learn and play.

CCC has a commitment to the safety and wellbeing of all students and as such every staff member participates in regular child protection training. We have a School Chaplain who is available to students before, during and after school.

Parental Involvement:

CCC has a very active and connected P&F Association, they are involved in many school events and work closely with the teachers and school executive to make these events highly successful. Parents are encouraged to attend P&F meetings, be involved in their child’s classroom and many other activities.
Parent, Teacher and Student Satisfaction with the School

Satisfaction Data:

Our parents were invited to take part in an anonymous satisfaction survey, some of these statistics are included below:

91% of respondents agree or strongly agree that CCC has a welcoming and supportive culture.

77% of respondents state that staff are accessible, respectful and respond promptly to feedback, with 4% disagreeing with this statement (19% neutral response)

92% of respondents would recommend CCC to others (6% disagree and 2% neutral)

Electronic rolls are marker every morning in both Primary and Secondary Pastoral Care classes. This data is input into the school database (PC Schools).

Parents of absent students, without explanation, receive an SMS requesting that they contact the office to explain the absence.

Once rolls have been checked, an absent student list is circulated and teachers check their roles every lesson and note any discrepancy to the absent student list.

Unexplained absences are followed up with a letter home and if absences continue, then follow up is provided by the Heads of School.
